Come join us and meet the Vancouver General Hospital Stone Centre Team!

- ✦ Meet the physicians, dieticians, and researchers who work hard to learn more about kidney stones and improve patient care
- ✦ This is a free event hosted by the VGH Stone Centre. Registration is from 6:00-6:30pm. Talks start promptly at 6:30pm
- ✦ New this year: One of our very own dieticians will be giving dietary advice and recommendations!
